From columnist @ejmontini: The president denies science and attacks medical experts, not because he believes it, but because he believes it will help get him elected.

In his war on science, Donald Trump is a draft dodger.

Donald Trump Jr., the eldest son of President Donald Trump, will be visiting Cedar Rapids on Oct. 27 to host a 'Make America Great Again!' rally.
Donald Trump sees the world from Park Avenue.

I see it from where I came from: Scranton, Pennsylvania.

It’s why I’ll fight every day as president to make this country work for the middle class — not the wealthy and well-connected.

Joe Biden can't get more than 12 people to show up at his rallies while Donald Trump gets tens of thousands, every single day.

You really expect us to believe Biden is ahead in the polls?

Few of those arrested appear to be affiliated with any organized extremist groups, and many are young suburban adults with no criminal history, from the very neighborhoods Donald Trump is vowing to protect.

Protest arrests show regular Americans, not urban antifa.

The Department of Justice is using aggressive tactics against those it has charged in the civil unrest over systemic racism. An Associated Press review of more than...

If you believe in religious freedom, and putting America first no matter what, vote for Donald Trump.

Joe Biden winning the election is quite possibly the only way he’s going to keep his son, and perhaps himself, out of prison. I firmly believe that Second Term Trump is gonna run the table on the Deep State and their 50-year crime spree.

Joe Biden and his first wife, Neilia, had three children: Hunter, Beau and Naomi. In 1972, Neilia and Naomi, died in a car accident. Joe eventually married a woman named Jill. He already knew her because she had been Hunter’s babysitter at the time of the car accident.
Interesting. Just what I heard days ago. Chinese media sources saying videos from Hunter Biden’s laptop show he conducted extreme sexual abuse of underage Chinese girl. Assume Chinese communist Party (CCP) has these videos. Perfect blackmail opportunity against Joe Biden.
