THE 2020 WEEKLY TWEETERBOARD

Monitoring the Conversation About the Presidential Campaigns

The PEORIA Project: Listening to Public Echoes of Rhetoric in America

December 9 – 15, 2019: The week in which James Comey, as if on cue, returns to the political spotlight right before a big event.

1) Donald Trump

James Comey @Comey

FYI: I offered to go on Fox & Friends to answer all questions. I can’t change their viewers on Donald Trump but hoped to give them some actual facts about the FBI. They booked me for tomorrow at 8 am. They just cancelled. Must have read the report.

James Comey @Comey

Former FBI Director, current husband, father, and grandfather(7), writer and speaking about ethical leadership, taller and funnier in person.

2) Joe Biden

Some Republicans in the Senate are trying to ensure that the Senate Impeachment Trial will "die quickly" without calling any witnesses

RT if you would rather see:

Adam Schiff

Hunter & Joe Biden

The "Whistleblower"

ALL testify to expose the truth behind this partisan coup!

I think I would rather see a same day acquittal of President Trump. Followed by early morning raids and arrests of coup perpetrators.
3) Nancy Pelosi

Donald J. Trump
@realDonaldTrump

Nancy Pelosi just got duped in an interview to admitting that she has been working on impeaching me for “two and a half years.” In other words, she lied. This was the Radical Left, Do Nothing Democrats plan all along, long before the Ukraine phone call. Impeachment Hoax!

5) Elizabeth Warren

Elizabeth Warren says it's "obscene" to profit off of students

Really?

Cost of one Warren-authored textbook—
$258.97

Cost of one Warren-co-authored textbook—
$126.78

Cost of one Warren-authored supplemental chapter—$60

Cost of Elizabeth Warren's one-year salary—
$430,000
6) Pete Buttigieg

Democrat @RepRaskin flat-out LIED on national TV: "President Trump had to pay $2 million to charities because he ripped off his own charity."

Politifact FALSE: "The funds did go to veterans".

President Trump raised millions for vets.

7) Andrew Yang

MSNBC has stopped reporting about Andrew Yang after Nov 26th.

8) Michael Bloomberg

It appears that Michael Bloomberg was paying young actors to pretend they spontaneously came out with a "Moves like Bloomberg" dance, to make it appear young people were hyped on him. They paid $20 an hour to the actors. They hired choreographers to train with the youngsters.

Who in their right mind thought it was "spontaneous?"

Jason Vance @achilles1974 · Dec 13
Exactly...the choreography was fairly obvious. That doesn’t happen spontaneously.

9) Cory Booker

The two unelected legal bureaucrats testifying today have donated over $140,000 to Democrats including:

Hillary Clinton
Kamala Harris
Cory Booker
The DNC
The DCCC
Barack Obama
Doug Jones
And Beto O’ Rourke

Is this really expected to be a fair & unbiased process?
10) Amy Klobuchar

Senator Amy Klobuchar's pointed, focused questioning of IG Horowitz is a masterful dismissal of every bombastic GOP rant that tried to discredit the report's findings.

She proves that you DON'T have to yell to get your point across.

You just have to know your stuff.
