Monitoring the Conversation About the Presidential Campaigns

The PEORIA Project: Listening to Public Echoes of Rhetoric in America

February 3 – 9, 2020: The week in which the Speaker's ripping up the president's State Of The Union speech put her ahead of him in mentions, and Sanders tops Buttigieg by a clear enough margin that even the Iowa Democratic Party could get right.

Nancy Pelosi and her staff wrote to Facebook and Twitter, demanding they remove this video...

Because it was “unfair to Pelosi.”

Both companies denied to remove it. 🙄

Make it viral again.

History will not be kind to Donald Trump.

Because truth matters. Right matters. And decency matters.

It may be midnight in Washington, but the sun will rise again.

I put my faith in the optimism of our Founders.

You should too.

I am listening to what you said as I type this.

You are somehow outdoing yourself.

God, I am proud we are together on the same side of the bright blue line that separates right and wrong.

You are badass, dude.

BREAKING: James O'Keefe of Project Veritas has just been suspended from Twitter...

For reporting on Bernie Sanders campaign officials praising gulags and violence against Trump supporters.

Big tech censorship is real and must be stopped.

Under Pete Buttigieg, South Bend saw:

— Rapes increase 27%
— Shootings increase 20%
— Aggravated assaults increased by 380 assaults over 4 years

He think this record qualifies him to go from mayor to commander-in-chief?

I live here Charlie. The Democrats have been in charge for decades. Yet they keep voting for them. I don't get it.

Joe Biden keeps saying he’s going to “beat Trump like a drum” in the general election.

Let me get this straight, he’s going to beat Trump but, in Iowa, he can’t even beat:

A former, small-town mayor
A fake Native-American
And an aging communist

Allow me a moment to thank—and this may be a bit of a surprise—Adam Schiff. Were it not for his crack investigation skills, @realDonaldTrump might have had a tougher time unearthing who all needed to be fired. Thanks, Adam! 🎈 #FullOfSchiff

MY PLEDGE:

If Elizabeth Warren is nominated, I’ll vote for her.

If Bernie Sanders is nominated, I’ll vote for him.

If Amy Klobuchar is nominated, I’ll vote for her.

And I’ll vote for Yang, Biden, Buttigieg, or any actual DEM who gets the nomination.

November is coming.

FACT: Mike Bloomberg spent $12,000,000 to re-elect a Senate Republican (Toomey) in 2016. Toomey beat the Dem (McGinty) by 1.5pts. If McGinty had won, Ds would have controlled the Senate after Doug Jones won & could have blocked Kavanaugh from the Sup Court

@MikeBloomberg does not belong on a Democratic ticket at ANY level of government.

obstacle: Michael R. Bloomberg’s fortune.

The former mayor of New York poured in $11.7 million to help reelect the Republican incumbent, Senator Pat Toomey, who had led an effort, albeit unsuccessful, to expand background checks for gun purchasers, a top priority of Mr. Bloomberg’s.

Mr. Toomey won by less than two percentage points, handing a key victory to the Senate majority leader, Mitch McConnell: The Republicans held on to control of the chamber by two seats. At the time, it was the most expensive Senate race the country had ever seen, and Mr. Bloomberg’s money was one of the largest influxes of outside influence.
