1) Donald Trump

The GOP was clearly stunned by the eruption of applause for Amb. Yovanovitch at the end of her testimony.

I caught Rep. Hurd, frozen in place, staring at the gallery.

Yes, GOP. This is America. We respect patriots, not traitors like Donald Trump.

Democrats must apologize to USA: Ukrainian Foreign Minister Vadym Prystaiko said that “United States Ambassador Gordon Sondland did NOT link financial military assistance to a request for Ukraine to open up an investigation into former V.P. Joe Biden & his son, Hunter Biden.....

...Ambassador Sondland did not tell us, and certainly did not tell me, about a connection between the assistance and the investigation.” THE FAKE IMPEACHMENT INQUIRY IS NOW DEAD!

Christopher Zullo @ChrisZullo · Nov 14

Nulvaney, Hill, Bolton, Vindman and yourself admitted you asked Ukraine to investigate Democrats. Gordon D. Sondland testified he told Ukrainian officials that military aid was tied to their commitment to investigations Trump wanted. This is foreign interference in our elections

“He made a mistake,” @SpeakerPelosi says on Trump's tweet about Yovanovitch during her testimony. “I think part of it is his own insecurity as an impostor...he knows full well he’s in that office way over his head. And so he has to diminish everyone else.”

4) Bernie Sanders and 5) Elizabeth Warren

I’ve seen many interviews with billionaires about the candidacies of Elizabeth Warren and Bernie Sanders.

Has anyone done a similarly well-publicized, primetime interview with a person on food stamps or in suffocating debt about their candidacies?

Hi suffocating school debt, now getting doodles of hospital bills for doing the unthinkable- having a baby. Oh sure, I have insurance, but with deductibles and billing me for “out of network” doctors whom I didn’t get to choose. I’m in for a world of hurt. Bernie or Liz please.
Yesterday Pete Buttigieg put out a list of 400 Black South Carolinians that endorse him/his plan.

-A lot of the people are confused because they didn’t endorse.

-42 percent of the list is white.

-They used stock photos from Kenya.

Yet we have heard nothing from his campaign.
South Carolinians from many backgrounds, to support the Douglass Plan, and we are proud and grateful that hundreds agreed to do so.

In the HBCU Times op-ed and in communications with the press, we’ve been clear that not every supporter of the plan is Black, and have never claimed otherwise in any public communication. We never gave the impression publicly that these people were endorsing Pete, only that they supported the plan. After they indicated their support, we reached out to people multiple times giving them the opportunity to review the language of the op-ed and the option to opt-out. We did hear from people who weren’t comfortable being listed and we removed them.
7) Kamala Harris

Maybe it’s not the campaign manager... just saying. 😞

Kind of think Cory Booker or Amy Klobuchar or Steve Bullock should float to the NYT that they're considering a last-minute entry into the presidential race just so they'll get more attention that way.
