1) Donald Trump

Senior Trump administration official: “People who spend any time with Donald Trump are uncomfortable by what they witness. He stumbles, slurs, gets confused, is easily irritated and has trouble synthesizing information, not occasionally but w/ regularity.”

Trump regularly “can’t remember what he’s said or been told.” White House ... ‘Behind closed doors his own top officials call him an ‘idiot’ and a ‘moron,’” an anonymous senior Trump official says in a new book.

So exactly why isn’t somebody doing something about this? If he’s physically/mentally unfit to lead, he needs to step down. Who makes the decision?
2) Joe Biden

Chuck Schumer has been in office for 38 years

Nancy Pelosi has been in office for 32 years

Maxine Waters has been in office for 28 years

Joe Biden was in office for 44 years

Yet they blame all of America’s problems on Donald Trump, who’s only been in office 3 years?

3) Nancy Pelosi

When the Military rips down an old & badly broken Border Wall in an important location, & replaces it with a brand new 30 ft. high Steel & Concrete Wall, Nancy Pelosi says we are not building a Wall. Wrong, and it is going up fast. Brandon Judd just gave us great marks! @FoxNews

your stupid racist wall is already being cut through by people with HAND TOOLS, so great job there, President Demented Goofus. I hope the veterans whose funds were diverted from their healthcare to this inane border boondoggle remember this when they step into the voting booth

They'll remember that illegal immigration was cut by more than 50% for now and even more later!

4) Bernie Sanders, 7) Elizabeth Warren, and 9) Michael Bloomberg

Brit Hume
@brthume

Difference between Mike Bloomberg and Elizabeth Warren/Bernie Sanders is that Bloomberg is trying to buy the election with his money and Warren/Sanders are trying to buy it with yours.

Still better than selling it all to Russia.

JuniorFab @juniothinkle - Nov 26
Agree, we need to investigate Hillary’s sale of our Uranium to Russia asap!

Poll results - which candidate do you think is the most intelligent?

Buttigieg got 22% while

Julián Castro 1%
Cory Booker 2%
Kamala Harris 4%
Andrew Yang 4%

Everyone listed has a graduate degree except Pete Buttigieg — but he’s white.
Philip Germain @Philip_Germain - Nov 29

While I understand the basis of your argument, the facts here are incorrect. Buttigieg was a Rhodes Scholar (like Booker) and achieved the same degree that Booker would have on his Rhodes. It's a 2-year Masters Program through Oxford. So he has a graduate degree as well.

Rachel R. Gonzalez @RachelRGonzalez - Nov 29

No, he does not have a graduate degree.
6) Kamala Harris

Kamala Harris aide says in resignation letter: 'I've never seen staff treated so poorly' | TheHill. If this was the @realDonaldTrump campaign it would be the lead story on every network. #NothingToSeeHere
