Nervous Nancy Pelosi is doing everything possible to destroy the Republican Party. Our Polls show that it is going to be just the opposite. The Do Nothing Dems will lose many seats in 2020. They have a Death Wish, led by a corrupt politician, Adam Schiff!

3) Joe Biden

Senator Rand Paul

It is being reported that the whistleblower was Joe Biden’s point man on Ukraine. It is imperative the whistleblower is subpoenaed and asked under oath about Hunter Biden and corruption.

What part of the Whistleblower Protection Act do you not understand?

4) Elizabeth Warren

Did you know:

Elizabeth Warren sent her son to a private school in Austin, TX where tuition is currently set at $18,000/year

Today she fights against school choice

Not only is Warren a liar

She's also a hypocrite

This is the typical Democrat standard—do as I say not as I do

Who figured this out??

Corey A. DeAngelis @DeAngelisCorey · Oct 29

Holy shit, I’m the first to figure it out.

I’m nearly certain Elizabeth Warren sent her son to an expensive private school in Austin Texas (Kitty Hall School)...

5) Bernie Sanders

Nikki Haley

@NikkiHaley

Just when you thought Bernie Sanders couldn’t get any more radical, he outdid himself. He wants to take money we give to Israel to defend itself from terrorists, and give it to Gaza, which is run by terrorists?? Unreal. Why isn’t every other Dem pres candidate saying he’s wrong?

6) Kamala Harris

Elizabeth Warren picks her own doctor, but she doesn’t want you to.

Kamala Harris owns a firearm, but doesn’t want you to.

Bernie Sanders is a multimillionaire, but doesn’t want you to be one.

None of this is accurate.
I live in a country with universal health care... Still pick my own Dr. But can see others if mine is busy. We have gun control but I can still own a gun or several even if I am fit to do so.
Rich people don’t want there to be more rich people

For all you foolish Tulsi Gabbard fans...

She just voted for the illegal impeachment coup.

She’s just a better looking Nancy Pelosi.

Did you know:

Pete Buttigieg
Bernie Sanders
Elizabeth Warren

All said they would make US military aid to Israel dependent on Israel’s building of settlements

Let me get this straight

They want to impeach Trump over a fake quid pro quo but are running to be elected on one?

Wow that is impressive. Those tweets did a lot to improve the conditions of the working class. What we are lacking now is a President that tweets.
