It is a profound national humiliation that Donald Trump is the president of the United States.

Curtis Ingraham @CurtisIngraham1 · Oct 10
He has not only destroyed America's reputation on the world stage, but has shaken our Constitution and scarred our democracy. This malignancy needs to be removed in all haste. Impeachment is the chemotherapy.

Danielle @SFmaman1 · Oct 10
Let us not forget what got us here- Gingrich, Fox News, Limbaugh and the like... they've manipulated minds and turned us against each other and the world order.
2) Joe Biden
3) Elizabeth Warren

I think that Crooked Hillary Clinton should enter the race to try and steal it away from Uber Left Elizabeth Warren. Only one condition. The Crooked one must explain all of her high crimes and misdemeanors including how & why she deleted 33,000 Emails AFTER getting “C” Subpoena!

New York just won a lawsuit to retrieve Trump's tax returns

Fact:

Despite spending 3 years demanding his tax returns, Nancy Pelosi has NEVER released her own

RT if you'd rather see the tax returns of a politician who became a millionaire than a billionaire who became president

This is ridiculous! His tax returns have nothing to do with being president. If he must release his. I want EVERY MEMBER OF CONGRESS TO RELEASE THEIRS TOO!
5) Bernie Sanders

This is what living in a state of denial looks like.

Hillary Clinton rigged the Dem primary against Bernie Sanders, deleted 30,000 emails, colluded w/a foreign government to interfere in the election on her behalf, AND STILL LOST!

Deplorable’s vote too and WILL again.
6) Kamala Harris

Kamala Harris says lawmakers should be forced to look at autopsy photos of shooting victims before they vote on gun control legislation.

How about Democrats look at photos of the dead victims of illegals before they vote for sanctuary cities or the wall?

THIS IS INSANITY!!! Where does it ever stop with the left and their crazy agenda? In what world is this anything less than sick and deranged?

Pete Buttigieg thinks it should be legal to knowingly give someone HIV

Or that's it these people are critically ill. America please make it stop.
Ben Shapiro warns that if politicians try to mandate LGBTQ 'indoctrination' at all schools, then he will "pick up a gun." Further adding "Beto O'Rourke does not get to raise my child. And if he tries, I will meet him at the door with a gun"
