Bernie Sanders made $1,062,626 in 2016

His charitable donations that year?

$10,600—less than 1% of his income

He campaigns against greed and then hoards 99% of his income for himself

For a committed socialist, he sure doesn't seem to live like one

He would literally be the American version of Castro and Chavez if he had the chance. Baseless promises to the people while making a lot of money and pocketing all of it without a f*ck to give about the poor. #Socialism

He sold a book! No one expects the rich to give away their money. Just to be taxed accordingly.

Kamala Harris owns a gun—but she doesn't want you to own one

Bernie Sanders flies on private jets—but doesn't want you to

Barack Obama is a multimillionaire—but doesn't want you to be one

See the pattern?

Trump wasn’t going to continue the “globalism” plan. He ruined their path toward socialism. Good grief! What would be happening now if hrc were in office?

**SICK:** Part-Time Mayor Pete Buttigieg appears to justify abortion even *after* a baby is born, suggesting life does not begin until a baby takes its first breath.

The baby breathes through the mother by the umbilical cord that is why if a cord get tangled it can suffocate the baby from lack of oxygen. I can not understand how people do not understand that a baby is living can move and tumble around within the womb.

Blanca Gilbert @saltlife4life73 - Sep 6
Yes! A week ago dr had to do emergency c-section on my daughter, turns out the umbilical cord was pinched plus the baby had it in his fist. He almost died before he was born.

Tulsi Gabbard’s statement on Kashmir is perhaps the most sensible one by any Democratic nominee till date.

I like her very much and this time also her answer was very good. However it is a myth that a girl in Kashmir cannot have property rights if she marries a non-Kashmiri. legalcrystal.com/case/900102/st... made sure that since 2002 women would have rights to property no matter what

Ganapathi Beeswaram (Neha S) @neha_aks · 13h
Wrong. The law of J&K prohibits her from holding property. One woman sued and court changed that. She can still not transfer her property to her children if she is married to a non-Kashmiri, because the children are non-Kashmiri.
