TRUMP on 3/15: "When people need a test, they can get a test."

REALITY: 800+ Americans have died. We have 60,000+ confirmed cases of coronavirus. U.S. cases are rising at a higher rate than any other country. ALL made worse by Trump's failure to deploy widespread testing.

Dear #Trump supporters: notice how when he talked to Xi he didn't call it the "Chinese virus". Nope. Because he's a coward. He saves that name for you guys...the people who he lies to and plays for fools. One day maybe you'll realize how stupid he thinks you are... #coronavirus
