

**PUT YOUR DEGREE**

**ON THE FAST TRACK**

## **WHAT IT IS:**

The Graduate School of Political Management offers dual degree programs that combine your Political Science or SMPA undergraduate degrees with one of our Master's programs. These dual degree programs are designed for students who are interested in the fields of **Political Management** or **Legislative Affairs**.

## **HOW IT WORKS:**

While in your undergraduate program, credits from two or three of our GSPM courses will count towards both your undergraduate and graduate program requirements. This means that both degrees can be granted in a shorter time and at a lower cost than if both were pursued separately. These dual degree programs are only available to GW students earning a bachelor's degree in Political Science, Political Communication, or Journalism and Mass Communication.
