Donald Trump: Minnesota Should Investigate 'Totally Illegal' Ballot Harvesting Scheme

It's not enough to understand that Donald Trump is a complete huckster and shameless grifter. We have to understand how he created the illusion of success and why Republicans continue to use it for their own political and economic ambitions.

Jared Yates Sexton ✓ @JYSexton · Sep 28

So.

We all know Donald Trump is a total failure and fraud. We need to talk about how the mythology of Trump was constructed and used by the Republican Party and the wealthy to further their interests

Here's what I learned writing AMERICAN RULE.

"There is a theme that has run through President Trump's entire re-election campaign: He is afraid that he cannot beat Joe Biden."

He should be. God knows he'll become even more desperate, cruel, & dishonest as he gets more afraid. Weak people always do.

1/x Everyone agrees Tuesday's debate was a train wreck. A major contributing fact was the moderator Chris Wallace, a registered Democrat, repeatedly interrupting to try to help Joe Biden. The next debate is set to be moderated by a former intern to...Joe Biden. (And Ted Kennedy.)
