OMG - this is soooooo fake...and you are a moron - Hitler never said this - he wanted the Jews dead, not loyal - typical liberal propaganda - you all can never tell the truth...

He wanted them dead (eventually). Demonising them was how he got the German people to accept this.

In October, Elizabeth Warren proudly proclaimed:

"No one, not even the President of the United States, will ever take away my [Native American] heritage"

So why did she meekly delete any mention of her Native American "heritage" from her campaign website last week?
