Monitoring the Conversation About the Presidential Campaigns

The PEORIA Project: Listening to Public Echoes of Rhetoric in America

December 9 – 15, 2019: The week in which James Comey, as if on cue, returns to the political spotlight right before a big event.

FYI: I offered to go on Fox & Friends to answer all questions. I can't change their viewers on Donald Trump but hoped to give them some actual facts about the FBI. They booked me for tomorrow at 8 am. They just cancelled. Must have read the report.

I think I would rather see a same day acquittal of President Trump. Followed by early morning raids and arrests of coup perpetrators.

Senator Amy Klobuchar's pointed, focused questioning of IG Horowitz is a masterful dismissal of every bombastic GOP rant that tried to discredit the report's findings.

She proves that you DON'T have to yell to get your point across.
