Monitoring the Conversation About the Presidential Campaigns

The PEORIA Project: Listening to Public Echoes of Rhetoric in America

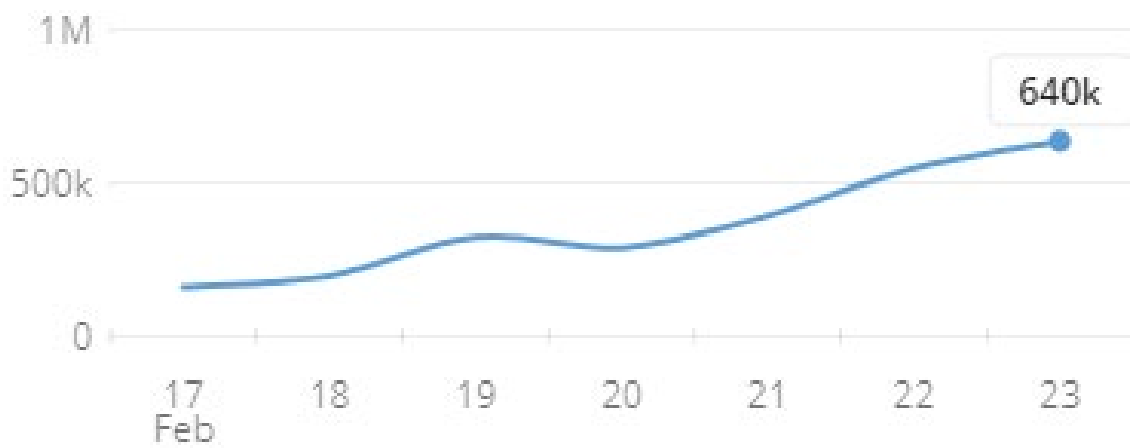

February 17 – 23, 2020: The week in which Sanders blew by Trump in mentions and Warren shot up too, though to no good election effect.

For those who can do simple arithmetic, here are some fun numbers on Bernie Sanders' harebrained socialist schemes:

Bernie Sanders said at the debate last night that he wants minimum wage to be \$15 per hour.

$15\$ \times 40 \text{ hr week} = \600
 $600\$ \times 52 \text{ weeks per yr} = \$31,200$

Bernie Sanders wants free health care for all and was asked how he would pay for it. His answer was raise taxes to 52% on anybody making over \$29,000 per year.

$52\% \text{ of } \$31,200 = \$16,224 \text{ in tax}$
 $\$31,200 - \$16,224 = \$14,976 \text{ is your pay}$
 $\$14,976 \div 52 \text{ weeks} = \288 per week
 $\$288 \div 40 \text{ hr week} = \7.20 per hour

Serious question, why is Bernie so angry all the time?

[screams into the void]:

Elizabeth Warren created an entire government agency dedicated to stopping corruption by the rich. She's the only one who wanted to prosecute the big banks after the subprime collapse and is the only one promising to prosecute Trump's criminal ass.

Dear Mikel, what do you think about Bernie? I'm asking because I really don't understand why everyone seems to prefer him to Elizabeth Warren.

Here's a fun piece of electability trivia.

Elizabeth Warren is the only candidate to defeat an incumbent republican in 30 years.

The republican she beat was Scott Brown.

Scott Brown was bankrolled by...Michael Bloomberg.

Rep. Jim Jordan 
@Jim_Jordan

The "Whistleblower" who started the impeachment sham was biased against the President, worked with Joe Biden, and met with Adam Schiff's staff.

Of course they should testify!

Senate braces for fight over impeachment whistleblower testimony
Senators are reviving the fight over the whistleblower complaint at the center of the months-long impeachment effort against President Trump.

Why don't you start with this whistleblower: Adam DiSabato, an OSU wrestler who testified that his coach, Jim Jordan, knew that 177 students had been molested by a team doctor and yet did nothing about it.

That's a testimony I'm sure everyone would agree is worth listening to.

Lol funny how his answer was the direct opposite in 2016 when he wasn't going into the convention with the most delegates. Wonder why he wanted the process to play out then 🤔🤔🤔🤔

So Russia wants a race between Sanders and Trump. They probably want Tulsi Gabbard as Bernie's running mate. And no question they will help Moscow Mitch get re-elected. What a monumental mess Trump has made of America! He will let this happen. Putin's USA.

Bernie Sanders briefed by U.S. officials that Russia is trying to help his presidenti... President Trump and lawmakers on Capitol Hill have also been informed about Russian interference in the Democratic contest.

Joe Biden, Mike Bloomberg, Pete Buttigieg, Amy Klobuchar, Tom Steyer, Elizabeth Warren: All 6 have plenty to offer as alternatives to Sanders, but unless they triage and reduce the 6 to 1, they might as well crown Bernie to take on Trump. It's tough, I know, but it is what it is.
