Monitoring the Conversation About the Presidential Campaigns

The PEORIA Project: Listening to Public Echoes of Rhetoric in America

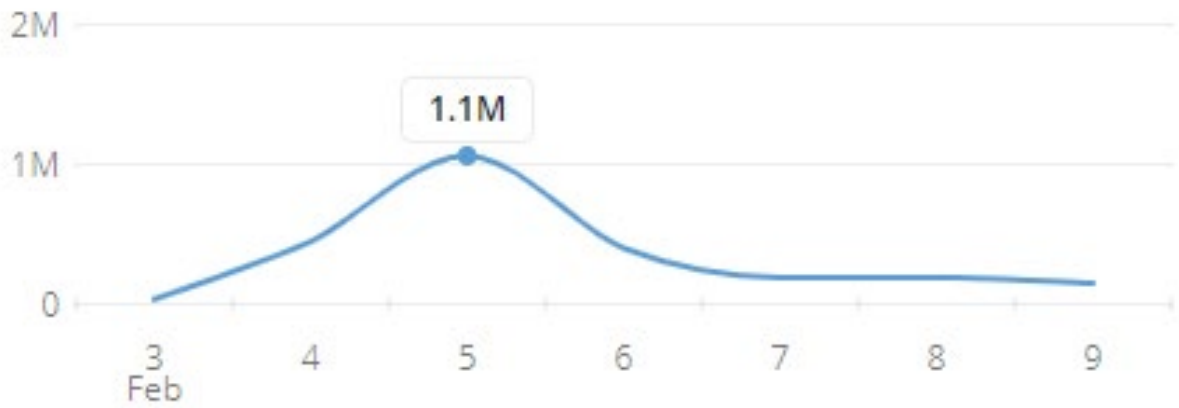

February 3 – 9, 2020: The week in which the Speaker's ripping up the president's State Of The Union speech put her ahead of him in mentions, and Sanders tops Buttigieg by a clear enough margin that even the Iowa Democratic Party could get right.

Nancy Pelosi and her staff wrote to Facebook and Twitter, demanding they remove this video...

Because it was "unfair to Pelosi."

Both companies denied to remove it. 🙄

Make it viral again.

History will not be kind to Donald Trump.

Because truth matters. Right matters. And decency matters.

It may be midnight in Washington, but the sun will rise again.

I put my faith in the optimism of our Founders.

You should too.

You are somehow outdoing yourself.

You are badass, dude.

Under Pete Buttigieg, South Bend saw:

—Rapes increase 27%

—Shootings increase 20%

—Aggravated assaults increased by 380 assaults over 4 years

He think this record qualifies him to go from mayor to commander-in-chief?

Joe Biden keeps saying he's going to "beat Trump like a drum" in the general election

Let me get this straight, he's going to beat Trump but, in Iowa, he can't even beat:

A former, small-town mayor

A fake Native-American

And an aging communist

MY PLEDGE:

If Elizabeth Warren is nominated, I'll vote for her.

If Bernie Sanders is nominated, I'll vote for him.

If Amy Klobuchar is nominated, I'll vote for her.

And I'll vote for Yang, Biden, Buttigieg, or any actual DEM who gets the nomination.

November is coming.

FACT: Mike Bloomberg spent \$12,000,000 to re-elect a Senate Republican (Toomey) in 2016. Toomey beat the Dem (McGinty) by 1.5pts. If McGinty had won, Ds would have controlled the Senate after Doug Jones won & could have blocked Kavanaugh from the Sup Court

Endorsed Bush in 2004. Helped win the Senate for GOP & McConnell.

@MikeBloomberg does not belong on a Democratic ticket at ANY level of government.

obstacle: Michael R. Bloomberg's fortune.

The former mayor of New York poured in \$11.7 million to help reelect the Republican incumbent, Senator Pat Toomey, who had led an effort, albeit unsuccessful, to expand background checks for gun purchasers, a top priority of Mr. Bloomberg's.

Mr. Toomey won by less than two percentage points, handing a key victory to the Senate majority leader, Mitch McConnell: The Republicans held on to control of the chamber by two seats. At the time, it was the most expensive Senate race the country had ever seen, and Mr. Bloomberg's money was one of the largest influxes of outside influence.
