“Day after day, really good news on the economy. By the way, this didn’t just happen by accident, it’s the result of a lot of the policies that Donald Trump has put into place. Obviously, the Tax Cut, and now we have these two BIG trade deals.”

They are rigging the election again against Bernie Sanders, just like last time, only even more obviously. They are bringing him out of so important Iowa in order that, as a Senator, he sit through the Impeachment Hoax Trial. Crazy Nancy thereby gives the strong edge to Sleepy...

Elizabeth Warren lied about her Native American "heritage"

She lied about getting fired for being pregnant

She lied about sending her son to private school

She lied about her dad being a janitor

Is she really surprised someone would call her a liar?

Does Nancy not understand just how un-American that kind of statement is, Mr. President?

Her and the Democrats want our country to become a place where you're "guilty until proven innocent."

Thanks for exposing them for why they REALLY are! 🙌🇺🇸

Biden & Bernie both missed their chance to tell Booker at the debates: "I knew Spartacus and you sir, are no...."

It would have been great.

The next time you find yourself about to jump on:

- Elizabeth Warren
 - Bernie Sanders
 - Amy Klobuchar
 - Andrew Yang
 - Joe Biden
- or any other DEM candidate...

Ask yourself if you're ready for 4 more years of crime, hate, and trump insanity.

And then RESIST.

Vote for whoever you want in the primary. But you don't have to burn the man or woman who ISN'T your candidate in order to elevate the one who is.

Unless you're willing to spend another 4 years under trump.

Michael Bloomberg had a rally in Atlanta and he desperately wanted people to show up , so he donated \$5,000,000 to Stacey Abrams so that she would show up with him to help draw a bigger crowd. 150 people showed up. That works out to about \$33,000 per head
