So exactly why isn't somebody doing something about this? If he's physically/mentally unfit to lead, he needs to step down. Who makes the decision?

Chuck Schumer has been in office for 38 years

Nancy Pelosi has been in office for 32 years

Maxine Waters has been in office for 28 years

Joe Biden was in office for 44 years

Yet they blame all of America's problems on Donald Trump, who's only been in office 3 years?

Term Limits, Term Limits. Only solution. Everyone needs to tell their Senators and Representatives it is time, so sad if they are not for it but make them say it.

◯ 3   ⇄ 2   ♡ 35

Randy Benson @randy_newsman · Nov 27
A better solution,and more manageable one, is to eliminate the gerrymandering of Congressional districts. That would make elections more competitive.

When the Military rips down an old & badly broken Border Wall in an important location, & replaces it with a brand new 30 ft. high Steel & Concrete Wall, Nancy Pelosi says we are not building a Wall. Wrong, and it is going up fast. Brandon Judd just gave us great marks! @FoxNews

your stupid racist wall is already being cut through by people with HAND TOOLS, so great job there, President Demented Goofus, I hope the veterans whose funds were diverted from their healthcare to this inane border boondoggle remember this when they step into the voting booth

Difference between Mike Bloomberg and
Elizabeth Warren/Bernie
Sanders is that Bloomberg is trying to buy the
election with his money and Warren/Sanders
are trying to buy it with yours.

@RachelRGonzalez

Poll results - which candidate do you think is the most intelligent?

Buttigieg got 22% while

Julián Castro 1%
Cory Booker 2%
Kamala Harris 4%
Andrew Yang 4%

Everyone listed has a graduate degree except Pete Buttigieg — but he's white.

While I understand the basis of your argument, the facts here are incorrect. Buttigieg was a Rhodes Scholar (like Booker) and achieved the same degree that Booker would have on his Rhodes. It's a 2-year Masters Program through Oxford. So he has a graduate degree as well.
