He has not only destroyed America's reputation on the world stage, but has shaken our Constitution and scarred our democracy. This malignancy needs to be removed in all haste. Impeachment is the chemotherapy.

Let us not forget what got us here- Gingrich, Fox News, Limbaugh and the like... they've manipulated minds and turned us against each other and the world order.

I think that Crooked Hillary Clinton should enter the race to try and steal it away from Uber Left Elizabeth Warren. Only one condition. The Crooked one must explain all of her high crimes and misdemeanors including how & why she deleted 33,000 Emails AFTER getting "C" Subpoena!

This is what living in a state of denial looks like.

Hillary Clinton rigged the Dem primary against Bernie Sanders, deleted 30,000 emails, colluded w/a foreign government to interfere in the election on her behalf, AND STILL LOST!

Deplorable's vote too and WILL again.

Kamala Harris says lawmakers should be forced to look at autopsy photos of shooting victims before they vote on gun control legislation.

How about Democrats look at photos of the dead victims of illegals before they vote for sanctuary cities or the wall?
