Never Forget. The Trump family was disallowed from operating ANY charity in the State of New York because they stole from a kids cancer charity. A kids cancer charity. A kids cancer charity.

How Donald Trump Shifted Kids-Cancer Charity Money Into His Business

Donald Trump is one of the least charitable billionaires in the world. Eric Trump is far more altruistic. In a clash of values, the president directed hundreds of thousands of forbes.com

So much disinformation out there. Independent investigators here in Ukraine have told me, repeatedly: Joe Biden did NOT stop an investigation into his son. In fact, US officials, including Biden, were pushing for MORE oversight of the company where Hunter Biden was a board member

Correct. Biden pushed to replace a corrupt and ineffective prosecutor with a competent, aggressive one—with the backing of European allies, the IMF, and democratic reformers in Ukraine. I explained here:

Opinion | Trump is pushing a fake scandal once again. Don't buy it. How can millions of Americans believe in events that never happened?

Said it early on—once WH said they would release the transcript the D's talking pts became all about "how do we know the transcript wasn't amended?" Total set up - they added hearsay rule-they knew who the WB was, wrote the statement and set the table-Shumer warned Trump..

Kamala Harris said we need to Leave Joe Biden Alone! WoW

Democrats want to impeach & punish Trump for hurting their feelings.

If the Democrats worked has hard as Trump they wouldn't have time to harass the President.

Who can agree with that?
